

## DRESTER BOXER SOLVENT BY HEDSON

### **Cleaning process with re-circulating solvent and clean solvent, which saves time and solvent**

The Drester boxer solvent cleaning process together with the unparalleled reliability and durability, makes the Drester by Hedson equipment a better choice and an investment that will increase the profitability. These gun cleaners are also equipped with hoods for protections from splashing and enable different types of ventilation: Drester Airvent, Drester Minivent or central ventilation. Drester Boxer for solvent-based cleaning offers two models; a compact-size unit and a full-size unit.
