

DRESTER MIXING TABLE BY HEDSON

Keep the mixing room structured for a more efficient workflow with the practical mixing table from Drester by Hedson

The mixing tables are adapted in colour and shape to the Drester by Hedson gun cleaner and Waste Management product range for a smart homogeneous look in the mixing room.

- Smart storage which gives efficient work flow
- Basic model with one shelf underneath fits every work shop
- Available in powder coated or stainless finish

SPACE SAVING

Smart and space saving storage which gives efficient work flow. The basic model has one shelf underneath and this solution fits every work shop.

(Standard/start model, powder coated, without side self, hood and airvent.)

ADAPTABLE

The mixing table is adapted in colour and shape for a smart and homogenous look in the mixing room. Choose what shape is needed and customize the mixing room

SAFETY

A better, more flexible and safer cleaning performance in the mixing room. Have a organized och tidy work environment in the mixing room as well
