

IRT DTP IR DRYERS
BY HEDSON

Low maintenance, high temperature dryers equipped with powerful ventilation and effective particle filter which extends the life of the lamps significantly, up to 20.000 operating hours per lamp. IRT gold-coated FreeForm reflectors guarantee effective and even heat distribution.

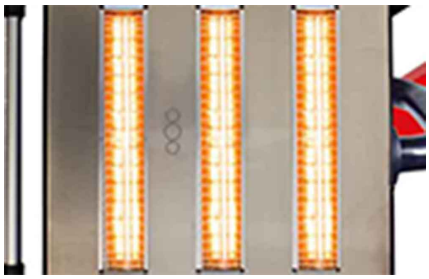

COMPUTORIZED CURING PROCESS

12 pre-set and 3 custom programs and a choice of 18 different languages makes the equipment easy to use
